Work Experience

Genesis IT Recruitment | ERP Recruitment Consultant Apr 2022 - Feb 2025

- Recruitment professional with a strong background in IT in general, working as a Delivery Consultant.
- Managed all phases of full cycle recruitment, from initial sourcing, advanced Boolean search and screening through offer negotiations, placement and onboarding.
- Creatively sourced candidates by leveraging recruiting software, social media, cold calling and employee referrals.
- Adept at recruiting professionals for a range of levels and various skills, from entry level to senior management
- Strong capability in the areas of candidate management and working closely with HR or Talent Acquisition Departments / Managed Service Providers and Resource Management to forecast future recruitment needs and in building talent pools
- Experienced in using recruitment tools like JobAdder, Seek, SAP Fieldglass, CareerOne and LinkedIn Recruiter.
- Used Microsoft Excel, Word, Teams and SharePoint daily.

The Morrison | Venue/Cellar Manager

Nov 2018 - April 2022

- Efficiently managing incoming guest inquiries and complaints through phone, email and face-to-face interaction.
- Effectively processing invoices, ordering required stock and general maintenance of the venue.
- Used Microsoft Excel to analyse P&L and stock reports.
- Processing invoices through Jensen and Excel, as well as assisting in the conduct of stocktake and analysing the results with regard to sales.
- Solving complex issues in a fast and efficient manner, which has resulted in positive feedback from both guests and fellow team members. This has been reflected in the receipt of multiple staff awards, varying from on-the-spot awards to 'team member of the month'.
- Adapting to a variety of roles across different parts of the venue, such as managing the cellar, the floor, as well as the bar and gaming room, all the while making sure to deliver the highest quality customer service to all patrons.
- Managing fellow team members under a supervisory position during regular service and events, to ensure a smooth running of the restaurant, bar and exclusive functions.

Hamilton's Hospitality | RSA Marshal/Bartender

Oct 2017 - Jun 2018

- Assisted in the responsible service of alcohol at events around Sydney.
- Assisted with stock, including managing supply and ensuring adequate product was available at all times.
- Assisted in maintaining a high level of customer satisfaction at private events.
